Reading and approval of minutes from September 11, 2018 meeting – No notes located from previous chair

Vacant appointments – Discussion on vacant committee positions and forwarding possible replacements to Governor’s Office. Assignment of duties Suggestions were made to include Henderson PD, Carson City SO. Names to be emailed to Jeff McCaskill for suggestion to state boards

Training / power point presentation - Discussion and decision regarding common training protocol for use statewide. Training offered from NCMEC and Fox Valley Technical School. Overwhelming majority of members in attendance expressed interest in additional training. NECMEC can provide a powerpoint training if needed. Sheriff Narvaiza expressed interest in having training at the Sheriff’s and Chief’s meeting or similar venue. Jeff McCaskill to contact Fox Valley for additional training.

Aligning with NDOT and law enforcement agencies – Denise Inda was compiling a procedure manual for NDOT and looking for suggestions from LE and other cooperative partners for a ‘best practices’ guide to implement - tabled to next meeting

Amber alert activations – none to report

Website update Website needs to be updated Gail Powell had several suggestions and potential remedies. Jason Pasco suggested an application be developed – tabled to next meeting

Public comment and discussion No public in attendance
